

# DO I NEED A DURABLE DECAL OR WEATHERPROOF LABEL?

## Weatherproof Features:

- Laminated at no charge
- Standard lamination protects inks to create a weatherproof label
- Printed on vinyl, polypropylene or polyester
- Weather and sun resistant for up to 1-1/2 years

## Durable Features:

- Printed on durable stocks with UV inks to withstand harsh environments
- Holds up against excessive handling
- Weather and sun resistant for up to 4 years
- Ask about lamination for specific applications
